The Oxford Picture Dictionary Third Edition provides unparalleled support for vocabulary teaching and language development.

- Illustrations present over 4,000 English words and phrases within meaningful, real-life contexts.
- New and expanded topics including job search, career planning, and digital literacy prepare students to meet the requirements of their daily lives.
- Updated activities prepare students for work, academic study, and citizenship.
- Oxford 3000 vocabulary ensures students learn the most useful and important words.

Color coding and icons make it easy to navigate through OPD.

Vibrant illustrations and rich contexts improve vocabulary acquisition.

Subtopics present the words in easy-to-learn "chunks."

Revised practice activities help students develop academic and workforce skills.
